Nothing Else Matters

```
Em                 D      C
So close no matter how far
Em                    D             C
Couldn't be much more from the heart
Em                D         C
Forever trusting who we are
G   B7            Em
And nothing else matters

Em              D            C
Never opened myself this way
Em                         D      C
Life is ours, we live it our way
Em                        D       C
All these words I don't just say
G   B7            Em
And nothing else matters

Em                  D        C
Trust I seek and I find in you
Em                D             C
Every day for us something new
Em               D             C
Open mind for a different view
G   B7            Em
And nothing else matters

{Chorus}
C Am D                            C
     Never cared for what they do
  Am D                            C
     Never cared for what they know
  Am D      Em
     But I know

{repeat 1st verse}
{Chorus}
{repeat 2nd and 3rd verse}

C Am D                            C
     Never cared for what they say
  Am D                            C
     Never cared for what they play
  Am D                            C
     Never cared for what they do
  Am D                            C
     Never cared for what they know
  Am D      Em
     But I know

{repeat 1st verse}
